to the memory of

ROBERT J. MERKLE

We, the senior class of 1948, solemnly dedicate this yearbook to the memory of its deceased editor, Robert J. Merkle, a model Catholic boy, who lived and died in the ways of Christ.

Bob was, and always shall be, loved by everyone who knew him; for his presence itself was a source of consolation and joy to us all. We will miss those rosy cheeks and that winning smile that were all a part of "Merk."

This book in itself is a lasting memorial to his tireless efforts and zeal. He had worked long and hard to give us the most perfect remembrance of our days at Campion.

The day on which Bob completed his work on this book was likewise the day on which God chose to take him for Himself; for on his way to Chapel, where he was about to begin the annual retreat, Bob's soul departed • •

Although Fr. Thomas J. Stemper, S.J., has been the president of Campion for the last six years, his associations with Campion reach back to 1931 when he first came here as a scholastic. He became head prefect of Sr. Division two years later, and held the post of athletic director as well. Fr. Stemper left Campion in 1934, and after his ordination to the priesthood, returned in 1939 to assume the position of assistant principal. His subsequent appointment as principal in 1940 was followed two years later by his assignment as president, which office he has held to the present. It is perhaps significant that ours is the only Jesuit school at which he has taught; in July of this year, he will have been here continuously for nine years, during which time Campion has flourished and grown to enjoy a more widespread recognition. If a reason for this recognition were required, we should say that it has been due in great measure to Fr. Stemper's conscientious leadership and enthusiastic devotion to the continual improvement of Campion, materially and scholastically as well as spiritually. And it is this remembrance of the capable leadership inspired by his administration during our four years here that will be uppermost in our memories of Campion when we, the class of '48, are graduated.

To say that the administrative branch is vitally necessary is no understatement; on the contrary, their individual duties comprise all that is essential to the smooth functioning of all the many activities and schedules at Campion. It is the coordination of their efforts that effects the scholastic harmony to which we have so long been accustomed.

To Fr. R. A. Bernert, S.J., our principal, goes our deepest admiration for the efficient administration of the scholastic phase of life at Campion. He, more than anyone, is responsible for the high standard of excellence that has been constantly maintained.

Although the office of assistant principal is often very difficult and exacting in its requirements, no other man than Fr. C. M. Reinert, S.J., could have done a better job at handling the countless problems that always arise in the course of the year.

As in past years, the financial responsibilities

have been capably managed by our treasurer, Fr. P. J. Murphy, S.J., who deserves our vote of thanks for a trying job well done.

In his capacity as student counsellor, Fr. E. J. Hipschen, S.J., has again rendered invaluable guidance, especially to us seniors in the selection of our college pursuits and ideas about future careers.

Through the tireless efforts of Fr. J. P. Kramper, S.J., director of registrations, the enrollment of new students through personal contact has progressed almost to the point of completion.

Indispensable to our material welfare is the constant work of Fr. E. W. Courtney, S.J., our superintendent, in supplying the countless items that life here at school demands.

And last, but by no means least, are the duties of Bro. R. F. Daley, S.J., whose efficiency as registrar has earned the sincerest respect on the part of the students.

Knight Conclave

APOSTOLIC COMMITTEE

This year, the Apostolic Committee headed by Charles Mudd whose assistants were Robert Power and James Huth, was highly praised for its fine work, especially in the distribution of Christmas baskets to the needy of Prairie du Chien.

RECREATIONAL COMMITTEE

Led by John O'Sullivan with the aid of James Britt and Patrick O'Beirne, the Recreational Committee's various activities, notably the many successful athletic tournaments, were a monument to this committee's assiduous application.

CULTURAL COMMITTEE

Under the able direction of George Schmidt, and his assistants Don Froehlke and John Doll, the Cultural Committee was chiefly active in promoting the dances throughout the year and in encouraging the audition of classical masterpieces.

SPIRITUAL COMMITTEE

The Conclave's Spiritual Committee, under the direction of Paul Fatum who was assisted by Thomas Kalb and Robert Gruesen, was an important cog in the conclave; the success of its literature drive was the fruit of hard work.

The parallel that exists between the functioning of the conclave and any democracy is more than remarkable; it is a positive advancement in the true understanding of how democracy works. This, of course, is only one of the purposes of the conclave. For through our semi-annual elections, the leaders of each class are culled and given the opportunity to share in part the responsibilities that are concomitant with school life. With these responsibilities goes the corresponding authority, all of which tends to produce in the officers a finer sense of leadership, and in the students a willingness to cooperate more fully with the various activities of the school. Through a well balanced organization of committees, the conclave members are enabled to participate in the activities of a particular committee in such a way as to infuse a sense of personal responsibility and pride in the work of each student. The end result is a finer, more closely knit school community, which after all, is the ultimate purpose of the conclave.

Cheerleaders

The lusty yelling of the student body, which has proved nerveracking to more than one opposing player, was a considerable help to the team. For with able cheerleaders constantly encouraging 500 pairs of lungs, the resulting roar would have made a herd of trumpeting elephants sound weak.

COACHES NICKS AND HOFFMAN

Thirty-seven years and still going strong; a phrase that fits only one. Coach Bill Hoffman, leader in football and baseball, has completed one more successful year as head coach and Athletic Director of Campion. No high school can boast a better all around athlete and scholar.

A new coach! is he good? knows his stuff? These and other similar questions were asked of Coach Mel Nicks when he was named head man in basketball and track and assistant in football. His magnificent record speaks for itself.

Charlie bites dust . . . 76 roars on

Sept. 27, (Chippewa Falls)—Bad weather bogged down the Knite offensive in their opening game of the season with the scrappy Scot squad up the river. A scoreless duel ensued . . .

McDonell threatened twice in the first half, ploughed through to the Red Black's four yard line where Scot half Smith was thrown for an eight yard loss by Rose. In a second attempt, the Scots fought deep into scoring territory only to lose the leather on downs. In the closing minutes of the period, Campion made a first down on McDonell's 37. Paonessa lugged it to the 32 and Pechous ran to the 25. The gun cut off the Knite threat.

A driving rainstorm in the second half rendered the Knite air attack and the tricky spreads ineffective. McDonell made their final plea for victory late in the last quarter, to no avail.

Oct. 3, (La Crosse)—Too much mud, water, and Logan gave the Knites their second setback of the season, 16-0.

* * *

Logan returned the opening punt 60 yards on successive runs for the first score. A few minutes later, they recovered a fumble on the Knite thirty and again were knocking on the scoring door. On the third play, half back Coady slipped through the line for 22 yards and the second touchdown. (Score, 12-0) Midway in the second frame, the Knites attempted to punt out of the hole from their 2. The alert Logan linemen broke through and blocked the kick in the end zone for a safety.

Late in the last period, the Knites halted another Logan drive on their 2. Rose tried to boot out of danger, but again the punt was blocked. Final score, 16-0, Logan.

Oct. 11, (Menasha)—'Veni, vidi, vici!' . . . that was the victorious cry of our stalwart eleven after the first successful encounter of the season. St. Mary's found themselves on the short end of a 12-7 count.

The Knite eleven, paced by Adler, Bransfield, and Leonard, marched the initial boot 50 yards in successive line stabs, end sweeps, and crossbucks to the Menashan's 20 yard stripe where the Zephyr line finally dug in. From here on in, the leather became a high flying missile.

In the third quarter, Bransfield cracked the scoring ice with a 12 yard romp to the end zone through right tackle. A few minutes later, quarter back Charlie Pechous hurled a 40 yard pace pass to Tom Kalb over the goal line for the second score. Both points after were unsuccessful.

Oct. 18, (Campion)—Edgewood High's powerful Maroons, picked to breeze past Campion, had to score late in the third quarter to turn back a defiant Knite team, 7-0, before an estimated Homecoming crowd of 1,200 alumni, parents, and Maroon backers.

The first opposition drive came to a halt on the Knite 22 where alert lineman, Tom Heavey, recovered a Maroon fumble. On five line plays, the Red Blacks returned the leather to Edgewood's 40. Rose flipped a short pass to Pechous on the 30. Here the Maroon line stiffened to puff out the only Knite sustained drive.

An intercepted pass, pulled down on the Knite 31 by Esser, set up the game winning tally for Edgewood. Two running plays moved the ball to the 16, and a bullet pass from Schaefer to Esser completed the work.

Duel to Edgewood by Single Marker Margin.

Oct. 25, (Dubuque)—Another fourth frame defeat, this time at the hands of their traditional rivals, the Loras Gubs, cost Campion its third setback in five starts.

Late in the first frame, Gub right tackle, Bersback, blocked Pechous' punt on the Knite 28, scooped it up and covered the remaining yardage for the first score. Pechous retaliated a few minutes later, going off right guard on a cross buck and scampering 80 yards for the Knites' only counter. Mil Bransfield plunged through center for the extra point. The Loras eleven's second tally was set up when Conrady recovered a fumble on Campion's 24. Fleckenstein moved to the 12. Then Hayes passed to Gallardo in the end zone.

* * *

Nov. 1, Campion — As a climax to the Edgewood duel two weeks ago, the Hoffmen put on a display of passing and running—and scoring—that left the Blugolds from La Crosse strictly battered and beaten. Charlie Pechous connected three times for aerial tallies. Mil Bransfield plunged over for the fourth.

Midway through the first frame, the spirited Campion squad marched 60 yards for their first touchdown. Pechous climaxed the drive with a 15 yard bullet pass to Rose in the end zone. Five minutes later the Knites scored again on a 30 yard pass from Pechous to Rose.

After the half, the Blugolds staged a short lived comeback when, on a sustained drive, they

toted the leather 53 yards for their only goal. The Knites' third touchdown was set up when John Leonard returned the kickoff 35 to the Aquinas 40. Rose made a first down on the 30 and Pechous tossed to Leonard over the goal line. The Redmen added the final touchdown in the last frame when Bransfield ploughed over from the 12.

* * *

Nov. 7, Davenport—The Knites took an unexpected defeat at the hands of the St. Ambrose squad, 34-13, to draw a dreary curtain on this year's grid season. Two last quarter scores clinched the battle for the Ambrosians.

Aided by spectacular down field blocking, Ambrose's left half, McKinney, returned the opening punt 35 yards to the Knite 40. Three plays later, he went through right guard on a spinner for a 35 yard tally run. The Knites countered with a sustained drive, climaxed by Rose's touchdown sprint through right tackle.

Ambrose unleashed a dazzling aerial offensive in the third frame, moving the ball 55 yards for their third touchdown. Jim Rose threw a 45 yard pass to Charlie Pechous on the opposition's 9. Rose to Adler moved the leather to the 1. Bransfield powered the way for the Red and Black's final marker of the game and season. Two tough breaks gave Ambrose their deciding points. Bransfield fumbled on the Knite 4 and a pass intended for Pechous was pulled down by Ambrose on the 25.

C-J FOOTBALL

Operating from the "T" formation, the C-J's matched their wits and brawn against teams usually superior in height and weight. Their opponents were "B" teams from schools of high athletic standing.

The hub of any football offense is the quarterback. In this department the juniors were led by Bob Meyer and Ed Kersten, who, in turn, were backed by the running of Dick Muench and Jim Kelty, halfbacks.

Perhaps their best offensive play was a spread in which Meyer received a short pass from Mc-Culloch, as the whole line was permitted to rush. Meyer then threw a long pass to Fitzpatrick.

Fitzpatrick, versatile end, and Ed Fox, tackle, made it tough for the opposition by their rugged defensive play. Bill Bierman, Ken Mitchell, and Jim Mohr completed the line.

MIDGET FOOTBALL

Scrap was the Midget's highlight as they fought through one of the toughest schedules in Midget history. Often playing teams that outweighed them, the little gridders ran through their torrid season with a record of one win, one tie, and two losses.

The Midget's great passing combination of Mc-Kenna to Keating kept their opponents in hot water whenever the Midget offense started to roll. The Midgets could also count on the long runs of Captain Paul Curth and the punting of Tom Tank when their backs were against the wall.

Bill Lederer and Spike Gormley spearheaded the rugged Midget line, which consistently stifled rival attempts.

Highlights of the season came when the Midgets battled to a 6-6 tie with the All Stars, a much heavier and more experienced team.

Intramurals

The advent of fall last semester heralded the football season and with it the formation of the intramural football leagues. Almost every afternoon saw crowds of anxious pigskin toters heading for the gridiron. If the ferocity which marked every contest is any indication, the intramurals were more than successful this year. Besides the sheer enjoyment derived from the games the leagues fostered in the students a realization of fair play and a spirit of competition. It required some self-sacrifice to be present for every game at the right time, but such a small inconvenience was more than requited by the unconscious development not only in a physical sense but more important perhaps in the formation of character. Implied in character are all the manly qualities stemming from a form of recreation in which teamwork, the essence of football, and a concerted effort are vital to victory. The lessons learned in football apply in a broader sense not only to life at school, but to the years afterwards. Acquaintances made on the gridiron grow into friendships cherished long after the last whistle of the season has blown. Not everyone can win all the games, but this only serves to instill the virtue of losing cheerfully. Football is unsurpassed as a game; likewise, it has no equal as a teacher.

Through the untiring efforts of Mr. J. F. Meara, S.J., ably assisted by Mr. H. R. Edwards, S.J., the smooth functioning of the football leagues this year was a goal achieved.

Under the capable leadership of Coach Mel J. Nicks, the Knite courtmen marked up a new high in seasonal scoring with an 822 grand total for twenty-one games, compared to 706 garnered by the opposition.

In any man's language, a 13 won-8 lost record is far above par. This was proved when, as a climax to a great year, the Red and Black quintet was invited to participate in the post season State Catholic Basketball Tournament, held at De Pere, Wisconsin, March 11-14.

The hoopsters unofficially opened the hardcourt season by bowling over St. Columbkille, 34-23, in a practice game Nov. 27. Crushing the Knite hopes for an undefeated season, the Prairie Fords won a heartbreaking thriller on Dec. 3, 31-30. Welch, the Ford's left forward, swished a beauty in the final seconds to steal the show and the game. Lanky Vic Rosenberger was high scorer with twelve. A determined and smooth working Nicks machine rallied into action and walloped Monona, 27-22, on Dec. 9. Rosenberger again topped the scoring list with twelve counters. Tom Kalb followed with seven. In one of those unspirited Sunday afternoon tilts, the Knites grounded the flying Scots from McDonell with a 34-30 setback. 'Twelve point Victor' grabbed highest honors again. Performing in a beautiful exhibition of ball-handling and accurate shooting, the Nicksmen trounced Lansing at Lansing, 59-33. Ten men saw action and each one managed to drop in at least one bucket. Jim Rose sparked the attack for the Knites with eleven, and Captain Steve Saunier was close behind with ten. The old December 13 jinx was apparent as the Knites bowed to St. Ambrose of Davenport, 39-36. With the score knotted at 36 up and one minute to go, Campion was charged with two fouls; one was made and the other tipped in. Rose and Saunier led the attack with fifteen and fourteen points respectively. Before a very enthusiastic 'going home' crowd, the Knite basketeers went on

to win their fifth encounter by swamping the cagers from Elkader Junior College, 41-19. Every man on the bench came in for his share of the honors; thus the student body went home for the holidays with a joyous spirit of vcitory in their hearts. The pre-Christmas tilts netted the Knites a tidy 5-2 record to work on after vacation. Steve Saunier led the individual scoring with 55 followed by Rose's 49.

Roaring back after the Christmas holidays, Campion's mighty five overwhelmed Lansing in their second encounter, 64-31. After the first five minutes of action it was evident that the Campion swish shooters were far superior to their opponents. Even Lansing's top scorer and sparkplug, Bill Terry, was unable to off-set the ever increasing margin. During the final quarter, Campion's latest diminutive additions to the squad, Bob Dolan and Jerry Vulakovicc, saw their first action. Dolan had the honor of bringing the score to sixty points, the first time in a number of years that the Knites have broken through to sixty fathoms. Johnny Leonard paced the Nicksmen with 14. The hardcourt men were still going strong two days later when they came back in the final minutes of the Aquinas duel to pull an all but lost game out of the fire, 43-38. In the final minutes, the Campion five staged a tremendous comeback with Kiley, Rose, and Kalb all scoring on long shots. Kalb racked up a twelve point total for the Redmen. Seasonal Scoring with

The Knites eked out another close one on January 30, when they turned back Cotter, 30-27. Captain Steve Saunier was without a doubt the player of the night with 18 of the Knites' 30 counters.

Here the Knites fell into a mid-season slump, dropping four games in a row to St. Mary's, Loras, Cotter, and Aquinas. A ceaseless barrage of Zephyr baskets proved to be just too much for the Redmen as the lanky St. Mary's quintet won out, 41-35, on January 31. Efforts to tie the score in the waning minutes of play cost the Knites four fouls-and the game. The Loras Gubs were the only outfit on the Knites' schedule that managed to take both encounters. A 43-39 verdict February 7, indicates that the first Gub-Knite contest followed along the traditional path of Loras-Campion rivalry. The scoring was tit-for-tat in every quarter, with the Gubs commanding the 'tat' at the end of the half with a four ducat lead. No relief was in sight for the Knites as Gub center, Fleckinstein, held sway over both backboards. Loras never dropped their four point half-time lead. Tom Kalb turned in the highest slate for the night with 16 markers.

At Winona, Minnesota, February 8, Cotter avenged their previous defeat with an impressive 49-40 decision, over our stalwarts. Cotter virtually monopolized the backboards and it wasn't until the middle of the last frame that the Knites found themselves enough to pour on steam—but by then the boat had rounded the bend. The second half especially was bloody murder for the Knites,

as their attempts ruthlessly bounced in and out of the buckets into the waiting arms of some Cotterman. To make matters worse, center Tom Kalb fouled out in the opening minutes of the fourth quarter. With less than two minutes remaining, Rose and Saunier finally got hot, combining five and four points respectively to boost the final score to 49-40. Friday the thirteenth, (February) found the Knites in a rather precarious position at La Crosse, as Aquinas whipped the Redmen, 57-40. Captain Steve Saunier found it rough going that night too; he was knocked off balance while attempting one of his 'super-duper' hand lay-up shots; and, as he fell, his leg was doubled under him. Result: out for game; out for season. His injury proved to be a severe one for the Redmen's offensive tactics. Campion freed itself from the depressing losing streak at the expense of Elkader Junior College. Before jam packed stands, the Knites rolled over the college boys, 51-21. The hoopsters ran wild in the third quarter, dropping in buckets from anywhere on the floor. Ten out of thirteen shots found their way into the hoop as 23 points were latched into the scarlet score. 'Rabbit' Leonard sank the most spectacular shot of the year in this frame when he pushed up a one handed flip from the foul circle as he was spread eagled in mid air and heading for the hardwood, but fast. High point man for the victorious Knites was Tom Kalb with 12. Jim Rose and Bob Fitzgerald both racked up 8 and Jack Kiley and John Leonard connected for 6. In fact every man on the squad was used to round out the 51-21 tally. St. Ambrose felt the weight of the rejuvenated Nicks' five on February 20, as the tricky quintet racked up a 34-24 win. The team brought back the bacon and the tenth victory of the year from Menasha, February 1.

The last home game of the season, hence an exceptionally noisy crowd, found the Redmen on the long end of a 40-34 contest, with the semi-pro team from Prairie, February 25. This duel was kept on an even keel until the fourth quarter when the Knites began to click. Pechous and Kalb, dropping in five point apiece, paced a 17 point scoring spree. Jim Rose led the scarlet barnstorming with 11 points, closely tailed by Johnny Leonard's 8. Charlie Pechous made a sensational game ending hot shot from near the out-of-bounds line and darn near dislocated his sacro-iliac in doing so. The red hot Red Blacks marked up their second highest score of the year as they turned back the McDonell 'Scotties', 55-35. Tom Kalb and Jack Kiley dropped in six apiece before the game was hardly underway. The Nickmen managed to rack up 19 points to the Scots' 9 to close the mightiest first frame of the season. Kalb added 10 points in the third period and four in the fourth to bring his grand total up to 22 points for the evening. Loras downed the Knites 33-28 on March 2 in the final game listed on the season card. Until the last quarter the duel looked as if it were enriched for the Knitemen, but then the long and lanky Loras players came from behind in the last seconds of play to whip the burdened Campion squad. Charlie Pechous and Tom Kalb tied for the scarlet shooting honors with 7 apiece.

To climax an above average hardcourt season, Campion was invited to participate in the State Catholic Basketball Tournament, held at St. Nor-

The Redmen were eliminated in the first round, 50-30, by Messmer Memorial High of Milwaukee, Wisconsin, who went on to play St. Patrick's of Eau Claire for the crown. Despite the final lopsided score, which seems to indicate a walk away victory, the Redmen gave the Royal Blues something to think about. Messmer held a slight three point edge at the half time, (24-21). The third frame broke the bank as the Royal Blues, combining accurate shooting and fast floor play, netted 16 points to Campion's 3. However, it was in this period that Tom Kalb had the honor of breaking Campion's all time high scoring record of 815 points for one season. It now stands at 822. The fourth frame was a sequel to the third as again Messmer poured on the coal. Kalb was high scorer

Three men came out over the hundred mark for individual scoring in the '47-'48 season; next year's captain, Tom Kalb, racked up 169, Jim Rose, 140. Though he was absent from seven games, Captain Steve Saunier had an ostentatious showing of 113.

Three basketeers, Paul Frommelt, Jerry Bichl, Shorty Strohman, led the Mosquitoes to their second straight Big Little Four championship, and a 7-2 season's record. These speedsters dazzled acpponents with their classy ball handling, while Keeley and Angevine at forward and Clouser and Truman at center provided the needed height.

MIDGET BASKETBALL

Sparked by Paul Curth and Johnny Fitzpatrick the Midget cagers swept to a 5-3 record. Stressing fast ball handling, the small men out-passed and out-shot larger and slower clubs. Captain Curth and Wheeler, with their sensational one hand shooting, were effective scorers; but Johnny Fitzpatrick proved to be the scoring mainstay with his rebound work. Quinn Harmon and Hal Hauser completed the starting five. Tom Behl alternated at center.

C-J BASKETBALL

Under the able direction of Coach Lee Krieg the C-J's won the majority of their games despite a slow start. A winning streak of 5 games was ended by the powerful Aquinas "B" team, but the squad quickly got back into the habit of winning. The team was built around three former C-J football stars, Ed Fox, Mike McCulloch, and Bob Meyer. With lanky 6'2" Ed Fox as pivot man, Meyer at guard, and McCulloch at forward, Coach Krieg had little difficulty in finding worthy talent to fill the two remaining positions. Scoring honors for the season were well divided. No one player was a standout; the team concentrated on teamwork. Also worth mentioning for their all-around play are Dick Boushka, Rudy Schork, and Jim Kelty.

Intramurals

With Christmas vacation a memory, the senior gym became the center of attraction for everyone. Teams were divided into five classifications according to ability, size, and experience. This organization not only made for keener competition but also afforded equal opportunities to the individual players.

The spirit of teamwork and true sportsmanship that prevailed in all the games is characteristic of the leagues. Because of the contact with other players these games encouraged further development of old friendships and the acquiring of new ones which last long after the termination of the leagues themselves.

The outcome of the play in the league witnessed Bob Snyders' A-1 league team capturing the championship. In A-2, Jude Boyle's crew were easily victorious, while Snyders copped the A-3 championship with little difficulty. The laurels in A-4 went to the warriors of Jack Molidor's squad as Stanek's A-5 team achieved undisputed championship in their league.

The annual post--season tournament was completed late in March with Tom Kalb's team, a pre-tourney favorite, triumphant over nineteen other teams, runners-up being Paul Fatum's determined but unsuccessful five.

To Mr. J. F. Meara, S.J., whose untiring interest in the efficient administration of the leagues was indispensable to the success of the season, goes our much deserved credit.

Organizations and Activities

Not Disc Jockey! This is serious

Looking back over the year 1947-48, the members of the Choir-Glee club will find many events upon which to indulge their appetites for recollections. Who can forget the work-outs during the month of October and the frantic efforts that were made to prepare "Low Lands," "The Lost Chord," and "Jeannie with the Light Brown Hair" for the homecoming visitors?

In the three short weeks before Christmas vacation, the memorable Christmas broadcast was prepared and presented in collaboration with the St. Mary's Academy choir. The program was broadcast to the people of the immediate vicinity over radio station KDTH of Dubuque; later it was heard on the west coast over station KMPC in Hollywood, and in the east over a Boston station. The narration for the broadcast was ably handled by Bruce Cody and Anthony Ryan of Campion, and Kathleen Higgins of St. Mary's. The outstanding melody was the stirring "Halle-

luja Chorus" from Handel's Messiah.

It was during those busy days, too, that the choir, now in Glee club form, donned blackface and straw hats for a minstrel show presented at Wauzeka, Wisconsin. Among the highlights of the show were the solos by Edward Mooney and William Snyders. Gay banter by Anthony Ryan, interlocutor, and Patrick Russell, Mr. Bones, provided the humor that combined with the Glee club's singing to round out a highly enjoyable evening for audience and performers alike.

The climax of the year's activities came in the Mothers' Day show. In the attempt to scale the heights of good music, the choristers, again combined with the St. Mary's choir, were more than successful, if the plaudits of a capacity audience are any indication. Among the more outstanding renditions to which the listeners were treated included such masterpieces as Brahms' "Song of Destiny," Bach's "Crucifixus" from his famous

Mass in B minor, Ravel's "Bolero," and that most stirring of songs, "Ballad for Americans."

Soon after the Mothers' Day presentation came a welcome respite in the form of a trip to La Crosse. There, the choir participated in the annual music festival at Aquinas High School; nearly thirty other schools representing the best in all forms of musical entertainment accounted for an interesting as well as enjoyable time.

The extent to which the choir achieved success is best measured by the enthusiasm not only of

its members but that of its audiences as well. Perhaps the most familiar sign on the bulletin boards was the one for choir practice. Behind the signs lay a vast amount of work. But it was fruitful work, and in the end it all seemed more than worthwhile. Hours of toil on the part of Mr. J. F. Snyder, S.J., precentor, and his assistant, Mr. E. L. Maginnis, S.J., combined with the industrious cooperation of the student members to produce an organization with ranks high among the best at Campion.

Jerry Molidor and Joe Kudlata shake the stage during the minstrel show at Wauzeka.

The spirit of Campion exists not only on that plot of ground directly south of the city of Prairie du Chien, but also on a much wider scale in the cities where large groups of the students live, for example Toledo, and Appleton. Of course the most energetic and influential of these groups are the Campion Fathers' and Mothers' Clubs of Chicago, which claims the largest single group of students from one city. Among other functions of the Fathers' Club this year, contributions were solicited from all the parents for the Campion athletic fund. The amount realized from this campaign was invaluable in securing new athletic equipment.

Succeeding Mr. John J. Downes, president of the Club for the last year, was Mr. Joseph F. Mertes who was elected this year in March. Other newly-elected officers include Frank M. Kraman, secretary; and Patrick E. Becker, treasurer. Among the new vice-presidents are Thomas P. O'Donnell, Joseph H. Ibe, James A. Clark, Vern Holzhall, Dr. Paul E. Lawler, Thomas J. Butler, Clement D. Cody, Thomas E. Gaughan, Jerome A. Weitzel, John J. Muldoon, Gordon J. Kickels, Melvin C. Richards, and J. Edwin Thompson.

Mrs. John Boyle, Pres.

It is the function of the Campion Mothers' Club of Chicago not only to aquaint students' parents with the aims, policies, and traditions of Campion, but also to enlist the cooperation of parents in behalf of particular needs relevant to the student body. Activities this year included the Holiday Dance at the Lake Shore Athletic Club, the successful card party at the Lewis Towers, not to mention the numerous meetings held regularly throughout the the school year. On hand for all these meetings were members of the Campion faculty, usually among them, Rev. T. J. Stemper, S.J.

The board of directors this year was headed by Mrs. John Boyle. Other members of this board were Mrs. L. F. Sweeney, Mrs. J. F. Mertes, Mrs. M. C. Richards, Mrs. P. C. Tuohy, Mrs. L. A. How State Champs get that way—work, work

The Bellarmine Debating Club, Campion's representative on the verbal battle fields, achieved an even greater measure of success in '47-'48 than in its three previous years of existence. The debators under the able direction of Fr. R. J. Grennan, S.J., participated in over 90 debates, including 10 major tournaments during the course of the season. Three veteran debators, Ed Weber, Dan Solon, and Bill Sullivan formed the nucleus of the team with Campion Kersten, John Bassler, and Warner Whalen furnishing able support.

One of the season's outstanding achievements came at St. Peter's, Minn., where the Bellarmen captured first place among 42 participating schools.

The debators also won second place in an original field of over 70 schools in the state-wide WFL tournaments.

On March 15, in the Campion auditorium, Dan Solon and Bill Sullivan climaxed a successful season when they won the finals of the Marquette U. tournament and brought Campion its second consecutive State Catholic championship.

Monogram

This exclusive organization is composed of the letter winners in the major sports: baseball, football, basketball, and track. As a group it forms one of the more integral parts of student life. The club sponsors movies, raffles, and other programs towards the procurement of the funds necessary for athletic letters and sweaters and the annual Monogram dinner held each spring.

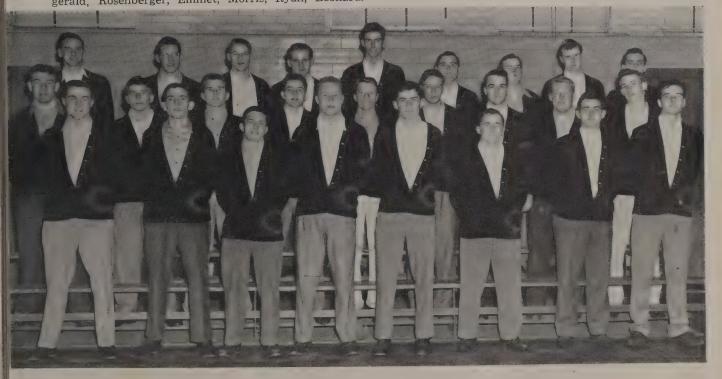

This year the members elected Edward Conlin as President of the club. Under his able and energetic leadership, the club has accomplished much.

Members act as ushers for all the home basketball games, for the various entertainment programs presented in the gym, and for the theatrical productions given by the Masquers in the auditorium. In the fall at the home football games and again in the spring at the track meets the members act as officials.

taking and developing most of the pictures in the book. Almost any afternoon Bob could be found either on the campus taking pictures or else down in the darkroom printing up yesterday's shots. And although Bob's sudden death came a full two months before the actual publication of the Knight, his efforts in designing the structure of the book, and all the work he had done, left little to be desired.

Assisting Bob also in his flashbulb duties was Lee Bachle in the position of associate editor. Since this was his second year on the Knight staff, Lee was not unaccustomed to the long hours spent hunting seniors for their informal pictures and to the free afternoons spent in the darkroom. To him must reservedly go a large amount of credit for his invaluable work on the '48 Knight.

Through the willing cooperation of a large number of seniors, the editorial phase of the Knight received enthusiastic attention. It was the efforts of fellows like Dave Florence, Tony Ryan, Lee Bachle, Mike Reilly, and George Schmidt that produced the articles accompanying each section of the book. Accounts of the colorful moments throughout the athletic year were faithfully rendered by Jim Rogge, who, all year, headed this same department for the 'Ette.

In compiling the senior activity lists, among other jobs, the work of Pete Carey, associate editor, his chief assistant, Tom Emmet and Jim Langenbach, was a monument to perserverance. Paul Fatum, principal among many others, was on the photographic end of the informal pages, while Dan Lauer, George Maynard, and Pete Duhamel dreamed up the captions. Polishing up the original format of the book was the particular job of Frank Murray; and for their work in the circulation of the Knight, Bob Bransley and Joe Heinz deserve special mention.

Last, but by no means least in our panegyric, is the work of the Knights' moderator, Fr. T. R. Stokes, S.J. His was the job of coordinating all the activities connected with the book; and as in past years, his success has made the goal of a better book a reality.

Hot from the press. Sly, eh, Dick?

How often it happens that we forget those people who mean the most to the continuance of our existence. This fact can be applied to the men behind the headlines of the 'Ette", the men who keep the copy pouring in and the typewriter keys flying. Take, for instance, Tony Ryan and George Schmidt, the jokemasters of the Crib Sheet, Pete Carey, the typist, Ray O'Brian, who foots the burden of circulation, Pat Heck and John Mattimoe, sports writers, and Joe Yott, business manager. All these and many more are the backbone of the Campionette.

Every other Saturday night at Campion it is quite customary to hear a brisk knock at your door. Next you see a smiling gentleman reach in and hand you the latest edition of *The Campionette* straight from the press. At this point all study ceases, and anxious eyes begin to relive all hte latest events around the campus.

The first thing you notice is the striking originality of the front page. Editor-in-chief Dick Rawe has used a new technique of make-up work which has proved more than successful throughout the year. His artistic arrangement of articles and placement of pictures has made the paper not only more attractive to look at but also more interesting to read. The feature articles have all been presented in a different and unique fashion.

After reading about all the recent main events described on the front page, you turn to the second, where you find bits of information such as—what has happened behind the scenes of Campion life; what movie is showing next Sunday; or who stole the show at the last home-style dinner.

One of the main attractions of the third page, otherwise known as the editorial page, is the

Periscope column, which presents an original short-short story by a Campion student in each issue. This furnishes an opportunity for everyone to display his talents in the art of writing. On the same page you stop to read the barrel of laughs, the Crib Sheet, which furnishes corn of every size, shape, and form known to man. For the newest in library books, you consult the picture of the little man browsing with his head in a book.

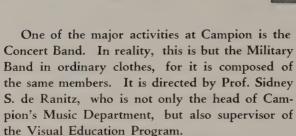

Last, but certainly not least, comes the sports parade under the direction of Sports Editor Jim Rogge and his assistant, "Pug" Morris. Here you find the very latest on varsity and intramural flashes. Jim's artistic array of articles and action shots lends an added sparkle to the sport highlights.

The wind section trying out some new blows

The few formal appearance made by the Concert Band this year were invariably successful. At the First Quarterly Assembly the student body was treated to a pleasing redition of the "Sunbeam Overture." Again at the Third Quarterly Assembly, "In a Persian Market," an Oriental sketch, received unanimous approval. The band's next appearance was at the Masquer's

presentation of "Career Angel," and this time the cynosure was the ever-popular "Glow Worm." Of course the biggest work of the year was the concert given in April in the St. Mary's auditorium for the girls and the townspeople. This program consisted of a selection of the pieces which the band had practiced for several months plus several instrumental solos featuring Charles Theisen on the marimba.

On hand at all the home football and basketball games and indispensable at the rallies was a pep band organized by Peter Duhamel, who alternated with Robert Power in leading the band through the well known college marches and pep

Masquers

A saw, a hammer, a paint brush — Presto! A scene.

School routine had scarcely settled into its well-ordered paths in the early fall, before the "extra-curricular urge" made itself felt in the field of mask and make-up. About sixty men joined in the planmaking spirit of the first meeting.

Homecoming loomed over the horizon and the Masquers rallied to provide an evening's entertainment for students, alumni and guests. To enable as great a number as possible to participate in the initial activity of the year, a skit was chosen in which a typical day at Campion was enacted. The Senior gym was converted into a theater for the occasion.

Immediately after the Christmas Holidays, the Masquers went into action on the production

of "Career Angel," a comedy by Gerald M. Murray. Plans were made for presenting the play during the Easter holidays. The Masquers were particularly anxious to produce a successful play since the auditorium had not resounded to the cry of Thespian voices for a long time.

Holy Saturday marked the initial performance for the benefit of visiting parents, relatives and Friends. The play was repeated on Monday. Reception Day

The organization consists of a moderator, Fr. A. J. Deeman, S.J., two student officers and four chairmen. The chairmen head the four committees, each of which has a special function.

All the Sodalists are divided into two major groups, the "A" and the "B". The former consists of those who by February 2 had satisfactorily completed the probation period and had passed a Sodality test on rules and organization. The latter group consists of those who have just under-

gone successfully the two months' probation period.

The spiritual purpose and aim of the Sodality is epitomized in its motto, "To Jesus through Mary." The Sodality tries to instill in its members a true spirit of personal holiness that comes from a genuine love and devotion to the Blessed Virgin.

In a practical sense the Sodality trains the young sodalist towards a real appreciation of public speaking. It endeavors to make its members good, informed Catholic leaders.

Latin Contest Winners

The winnahs! Duhamel, Solon, Lauer

The brightest event on the scholastic scene this year was Campion's sweep in the 21st annual Interscholastic Latin contest. The laurels were won by Daniel Solon, a junior, who ranked first, and Peter Duhamel and Daniel Lauer, who ranked second and seventh, respectively. Together, they aggregated a total of twenty-three points, which was high score in a field of eleven other participating schools.

The test itself consisted of an English to Latin translation, which counted 60%, and one from Latin to English, counting 40%. The former part was the more difficult and was the primary consideration in judging the papers. As a result of Campion's victory, the entire school was granted a holiday from classes in March.

When the announcement of the annual Navy sponsored scholarship was made, twenty-eight seniors responded by journeying to La Crosse to take the qualifying mental exam. Of the twentyeight, twelve passed, giving Campion the highest percentage passing in the state. Nine of these went to Minneapolis in February to take the physical exam; those seven who were physically acceptable were Burton Stratton, George Price, Carl McGarrity, John Walsh, Thaddeus Owings, Michael Bestler, Peter Carey, and Lee Bachle. Under the specifications of the program, each candidate who is accepted is entitled to four years of education at the college of his choice, provided he is accepted by the particular college; and a commission in the Navy upon graduation.

Golf

This looks easy - so far

Prospects for this year's team look bright with such formidable golfers as Paul Fatum, Ed Conlin, Jim Rose, and Mark Stanek consistently shooting fine games. Paul Fatum will be the power of the team with his long drives paired with a good iron game. Ed Conlin is a confident golfer, always dead on the pin. Jim Rose has the reputation of holing those long putts, while Mark Stanek chips them on the green and close to the cup.

Because golf is not a major sport, there is a shortage of opponents; but a tentative schedule has been drawn up which includes matches with

ROSE

Aquinas and Prairie, both of which will offer the Knites some stiff competition and test their skill on the fairways.

Last year's team, composed of Dave Keeney, Tony Sullivan, Jack Becker, and Van Fishback decisively trounced Aquinas on their home course by taking all four matches. On their trip to La Crosse, however, they had trouble on the strange course; nevertheless they still emerged victorious by taking three out of the four matches from the Blugolds. They also trounced Prairie in a home match for a season's record of 3-0.

Track

He makes it look simple

It's a bird, it's a man -

With the return of many outstanding and experienced thinclads Campion's 1948 track team looked forward to a victorious season. Looking over his prospects for the season, Coach Mel Nicks had two lettermen, Frank Gruesen and Ron Nasser, for the 100 and 220 yard dashes. Compared to other years, Campion faced a shortage of returning lettermen. But in the true Campion spirit, many newcomers were of invaluable aid to the team. With Pete Duhamel and Jack Downes on the 440 and 880, and Ken Otteson and Jack Molidor on the mile, the long-distance department was well rounded out. Over in the field events, with Jim Rose on the pole-vault, Charlie Mudd on the high jump, and Red Dineen and Tom Kalb throwing the discus and putting

the shot, again Campion came through with winners. Still other stalwarts of our fine team were Vic Rosenberger and Tom Lyons on the high and low hurdles, and offering valuable assistance as manager was Jim Rogge.

The 1948 schedule promised to be exciting and tough. This season's meets were planned with Decorah and Oelwein, Iowa; Dodgeville and Platteville, Wisconsin; and our traditional rival, Loras Academy of Dubuque, Iowa. Three of the schools, Oelwein, Decorah, and Dodgeville, were new to Campion teams. However, Platteville and Loras were strong old rivals who have consistently placed good teams against us. Platteville has been our toughest rival for the past several seasons, but Loras has fallen to Campion teams at every meet for the last three years. Oelwein was North Central Iowa Champs in 1947, and have provided many a track fan with an exciting afternoon. Although the sched-

ule promised to be tough, the team knuckled down to hard and sure training rules, always a part of the Campion program, and turned in a fine performance.

Campion has always had high grade track teams. The selections for the team are made on the basis of an intra-class meet, from which the outstanding performers are picked. This year the Junior class put many fine men on the team, and the experience gained this year is gain for an even better team next year. Many rcords have been set in the last few years by Campion men in various dual meets and in the Loras Relays, which Campion won in 1946. In dual meets, Campion has fared better than average, with 5 wins in 8 meets in the last three years. Two meets were split with Dubuque Senior, one won and two lost with Platteville, and three straight were taken from Loras. And so Campion track, now in its 20th year, moves on.

Assistant squad leaders were: Christopher Meyers, Urban Wittig, Daniel Solon, and Thomas Mauer.

No! The bullet comes out the other end!

The Reserve Officers Training Corps is now considered the most important branch of the Organized Reserve, created by the National Defense Act of 1920. In brief, the program's purpose, stemming from the immediate need for qualifying officers in an emergency, is to present as much military training as is feasible in connection with regular civilian education, in order to enable interested young men to obtain reserve commissions after satisfactory completion of the course.

In addition to the senior elementary and advanced course in colleges, the government has authorized junior R.O.T.C. units in preparatory schools. The junior course, consisting of two hours of drill and one period of general military instruction each week for three years, does not lead directly to a reserve commission; but is regarded as the equivalent of the first year of the senior elementary course, and may be substituted for it.

Regular Army officers are detailed as professors and assistant professors of military science and tactics in schools granted an R.O.T.C. unit.

This is the plan followed at Campion. Emphasis is not laid on the training of military

minded soldiers; but rather on the adequate preparation of men for positions of command in the Regular Army, if they should choose, or for duty in case of national emergency.

Student cadet officers, appointed according to qualities of leadership, instruct and drill cadet squads, platoons, and companies. In this way an immediate objective of the cause is met; through unit competition, valuable training in discipline and teamwork is acquired in learning to execute commands willingly and accurately. Precision drill is maintained at all time under the supervision of the P.M.S. and T. and his staff, who also serve as instructors during the weekly period of class. During these classes, the student is acquainted with such subjects as U.S. military history, various infantry weapons, marksmanship, general military tactics, map reading, and army methods of instruction. Among the aids to instruction are models, charts, lectures, regular army manuals, and training films.

Annually, towards the end of the school year, the cadet battalion receives federal inspection. Here, the results of the sound military program, conducted throughout the year, are demonstrated.

R.O. 7.C. Band Rifle Team

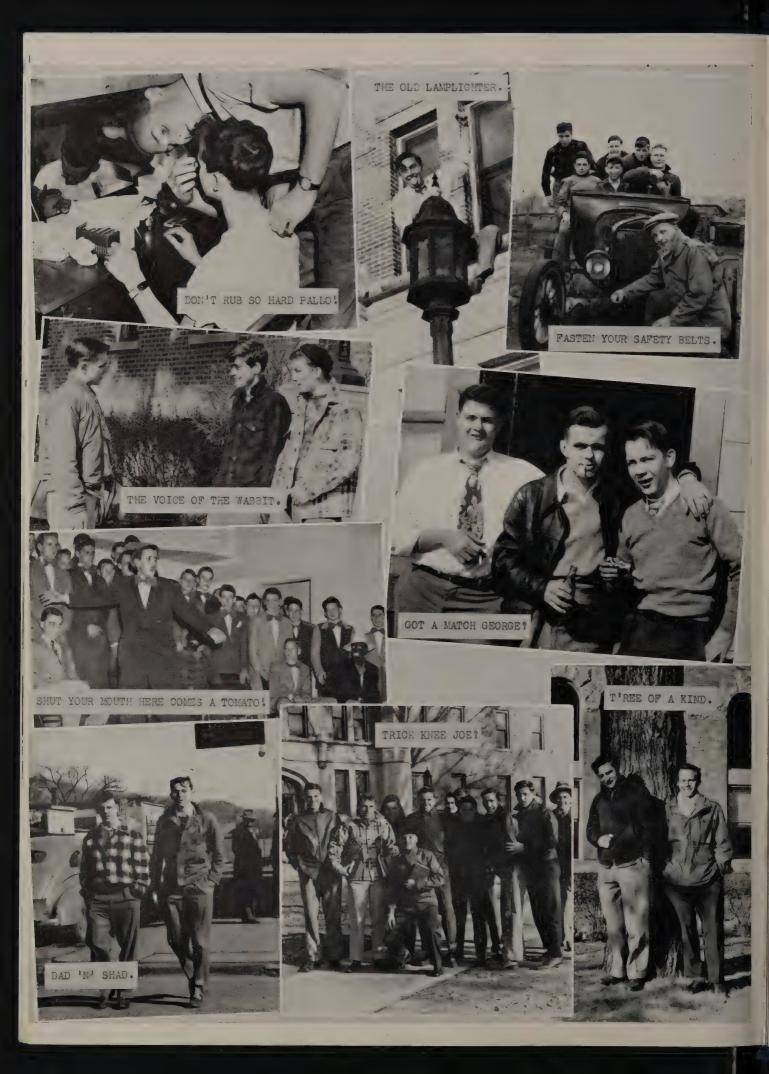

Kneeling: Strzok, Kegel, Herman, Monaghan, Dineen; **standing:** Ryan, W., Strum, Chalos, Enzler, Maurer

Campion's rifle team, again under the direction of 1st Sgt. Paul A. Pinard, held several postal matches with other schools, including Central Catholic High of Green Bay, and Roosevelt Military Academy, Aledo, Illinois. The Red and Black riflemen fired a shoulder to shoulder match with the Loras High team of Dubuque, and actively participated in the national Heast Trophy match. All firing was done with the .22 caliber, model 1922 army rifle, at a range of 50 feet in prone, sitting, kneeling, and standing position. Members of the team were chosen on a competitive basis.

Marching mainstay of the battalion, the military band was prominent for the part it played in the parades. With their martial airs they were on hand at every ceremony, keeping the companies in step. In marching, too, the band excelled. It has won the Jewett Trophy three years in a row for giving the best exhibition drill on Mothers' Day, and now it has that trophy in permanent possession. This year, the band was led by Peter Duhamel, Captain, and John Molidor and Robert Meganck, Lieutenants. Besides the customary drill on Mothers' Day this year, the band also entertained with several numbers.

Senior Class

Oh boy, oh boy — at last

Class officers Paul Fatum, vice-pres.; George Schmidt, pres.; Charles Mudd, sec.; John O'Sullivan, treas.

If the Seniors of '48 were asked to present to a total stranger an ideal Campion student, could we find a better example than a composite of the class leaders of '48? For these students typify the spirit and energy of a true Campion Knight.

We would want our Knight to be one who realizes the importance of a trust, and can bear the responsibility of authority. It will be such young men as our Conclave officers who will be the Catholic leaders of tomorrow.

Our Knight would have the ability to think clearly and to express himself adequately. For these qualities in our composite we must include the editors of *The Campionette* and *The Campion Knight*. They saw the fruit of their hard work blossom into journalistic achievement.

We would, too, have this ideal son of Edmund Campion an athlete. The qualities of leadership, determination, resourcefulness we find exemplified in the pride of Campion's gridiron and court, the captains.

This model Knight must, in addition, be disciplined and obedient. Campion's cadet commander of the R.O.T.C. unit has instilled these qualities in the students of Campion.

Here, then, is the ideal Knight of Campion; a man in whose character every member of the class of '48 may see himself.
